April Showers.....

We all know the saying "April showers bring May flowers" well the children here at Whispering Farms really hope that we get plenty of showers but plenty of sun as well. We have added three new flower beds outside the Primary classrooms, now

each classroom in the school has their very own garden area and the classes can't wait to see the results of their hard work. The children will be tilling, planting, and pulling weeds in hopes that the seeds they have started in the classroom will grow and fill up the garden. Classes have started vegetables, flowers, and herbs in their classrooms, they are learning all about seeds and the stages of plant growth. If there are any parents who are expert gardeners we would love for you to be able to come and spend some time with your child's class gardening and volunteering. We hope that in the coming months we will have many veggies and flowers to show and take home.

Our school will also be having a fun Spring Party on Thursday, April 9th. The classrooms will have festivities in the classroom and in the afternoon there will be an Egg Hunt and a visit from the Easter Bunny. Please send 12 pre-filled eggs by Monday, April 6th. The eggs will be scattered around the backyard and the children will have a fun time searching for them.

The school will also participate in the planting of a tree on April 24th in celebration of National Arbor day. We look forward to all the fun events that are planned for the month of April.

Computer Class

The primary classrooms now have a class computer set up. The children will be able to work on typing, math, reading, science, colors and other fun games as part of their everyday work. We hope to add more programs and computers to the classroom soon.

Fall Enrollment

Fall Enrollment forms were sent out last month. We are planning our classrooms and activities. Fall Enrollment is due by May 22nd with the regular registration fee of \$100

Spanish

Ms. Farahani has taken over our Spanish program. Being a native Spanish speaker, she is ready to teach the children and engage them in her Spanish program. The classes will focus on Spanish conversation, common used words, songs, rhymes and games. Classes will be held daily.

A Message Every Adult Should Read Because Children are Watching You and Doing as You Do, Not as You Say.

When you thought **I** wasn't looking **I** saw you hang my first painting on the refrigerator, and **I** immediately wanted to paint another one.

When you thought **I** wasn't looking **I** saw you feed a stray cat, and **I** learned that it was good to be kind to animals.

When you thought **I** wasn't looking **I** saw you make my favorite cake for me, and **I** learned that the little things can be special things in life.

When you thought **I** wasn't looking **I** heard you say a prayers, and **I** knew that there is a God **I** could always talk to, and **I** learned to trust in Him.

When you thought **I** wasn't looking **I** saw you make a meal and take it to a friend who was sick, and **I** learned that we all have to help take care of each other.

When you thought **I** wasn't looking **I** saw you take care of our house and everyone in it, and **I** learned we have to take care of what we are given.

When you thought **I** wasn't looking **I** saw how you handled your responsibilities, even when you didn't feel good, and **I** learned that **I** would have to be responsible when **I** grow up.

When you thought **I** wasn't looking **I** saw tears come from your eyes, and **I** learned that sometimes things hurt, but its all right to cry.

When you thought **I** wasn't looking **I** saw that you cared, and **I** wanted to be everything that **I** could be.

When you thought **I** wasn't looking **I** learned most of life's lessons that **I** need to know to be a good and productive person when **I** grow up.

When you thought **I** wasn't looking **I** looked at you and wanted to say, " THANKS FOR ALL THE THINGS **I** SAW WHEN YOU THOUGHT **I** WASN'T LOOKING"

Each of us (parents, grandparents, aunts, uncles, teachers, friends) influences the life of a child.

Be careful of what you say and do... IT REALLY MATTERS.

Whispering Farms Montessori Academy is Prosper's first (and only) Montessori school. It was founded in January 2003. Lead Teachers in the Primary and Transition program are Montessori Certified. All teachers are CPR and First Aid Certified. We have a dedicated staff and are proud to have a low turnover in teachers.

Our Goal is to provide a creative environment where each child will excel and learn at their own pace.

We would really appreciate it if parents could place a review about our school on any search engines like Google, Yahoo, etc..
