Our School Resolution

With the start of the New Year the school has made a resolution to teach the children how to make healthy choices. It's important for children to adopt a healthy lifestyle starting at a young age. It is surprising how much proper food choices can affect a child's day. School days are full of educational challenges that require long attention spans and stamina. Poor nutritional habits can undermine these pre-requisites of learning, as well as sap the strength that children need for making friends, interacting with family, participating in sports and games or simply feeling good about themselves. Children need a healthy, balanced diet, which is rich in fruit, vegetables and starchy foods. Please help our school by sending healthy foods in your child's lunch. As a rule-of-thumb, make sure lunches include at least three of the Five Food Groups. Pack whole, fresh foods instead of processed foods. For example, fresh fruit instead of fruit snacks and vegetables instead of chips.

Martial Arts Program

Our Martial Art class has really taken off. The children really enjoy the class and the instructors are really good with the kids. Classes are held every Friday at 3:30p.m. For more information see the front desk. The children earned their first martial arts stripes this month.

Valentines Party

The classrooms will be having a Valentines Party on Friday, February 13th. You are welcome to bring some V-day cards and snacks to pass out to the classrooms. There will be a sign up sheet for class snacks at the front desk.

Summer Enrollment

A Summer Enrollment form was sent out in January asking if your child was going to attend the summer sessions. If you are interested please send the form back to the front desk. Thank you.

Kinder Tots

We are proud to announce that our children will be participating in a performance at Wakeland High School on Tuesday, February 3rd during the half time show. We hope you can come out to support our "Kindertots"!

Whispering Farms Montessori Academy is Prosper's first (and only) Montessori school. It was founded in January 2003. Lead Teachers in the Primary and Transition program are Montessori Certified. All teachers are CPR and First Aid Certified. We have a dedicated staff and are proud to have a low turnover in teachers.

Our Goal is to provide a creative environment where each child will excel and learn at their own pace.

We would really appreciate it if parents could place a review about our school on any search engines like Google, Yahoo, etc..
