Gobble Gobble

Boy has time flown! November is here and the changes of the season can be seen and felt all around us. The children have noticed these changes, the days are getting colder and the grass and leaves are starting to change color. There will be lots to do in the month of November including preparation for Thanksgiving. Children will learn all about the Pilgrims and Native Americans and the first Thanksgiving dinner. Each classroom will have a Thanksgiving lunch where parents will bring in items for the class to eat and share with one another, parents are invited to have lunch with their child on their scheduled day.

October was filled with many exciting events. Our Primary classrooms had a field trip to the pumpkin patch where they saw farm animals and picked out their very own pumpkins. The school received a visit from the Prosper Fire Dept. and they brought out Sparky the dog with them. All the classes loved seeing Sparky and getting to go on a real fire truck. Check out page 2 for pictures from some of our October events. The children learned about the Indian holiday Diwali also known as the "festival of lights". The school had a guest speaker Ms. Darshan come in and give a presentation to the children about the festival. The children learned about Rangoli patterns and colored some of their very own designs. The Halloween party was a real blast, all the children enjoyed the visit from the storyteller, Barney, and the choo choo train. The children looked adorable in their costumes and we hope they had a fun night of trick or treating at home. Thank you to all the parents that came out and helped.

Gymnastic Program

In October we began an extracurricular Gymnastic program. The class is held on Tuesdays at 10 am. Children increase their balance, coordination, agility, strength and physical skills. For more information, please pick up a brochure at the front

Whispering Farms Montessori Academy is Prosper's first (and only) Montessori school. It was founded in January 2003. Owner Kiran Rai took over the school in March 2008. Lead Teachers in the Primary and Transition program are Montessori Certified. All teachers are Montessori trained, CPR and First Aid Certified. We have a dedicated staff and are proud to have a low turnover in teachers.

Our Goal is to provide a creative environment where each child will excel and learn at their own pace.

We would really appreciate it if parents could place a review about our school on any search engines like Google, Yahoo, etc..
