

Whispering Farms Montessori News

June 2018

Hello Parents,

Graduation and End of the Year Program went off very well.

Thank you parents for taking the time to come see your little scholars. Wanted to give a shout out to Magic Moments (Courtney Rai) for the beautiful stage decorations.

Bitter Sweet Summer is upon us! We are excited that summer is here... "no more uniforms", "no more uniforms" seems to be the mantra these days. Along with all the excitement of summer comes the bitter realization that we are going to miss some of our friends who have graduated and will be moving on to their ISDs. But such is life... we move on!

Just a quick reminder, even though we are not in uniforms during summer, we need the children in closed toe shoes as we will still be doing a lot of outdoor activities. Remember sun block and bug spray .

Have a great summer and let the fun begin.

Kiran

Notes from the Teachers

PRIMARY 1

Dear P1 Parents,

Wow! It has been a great year. This group of Kindergarteners was awesome and we had a blast learning and laughing together.

As the school year comes to an end, We would like to take a moment and thank all the parents who came and supported our graduates . A big thank you to all the kids for a wonderful performance at the party. So proud of them.

Summer weather seems to be here and the children are very excited to be outside on the playground with the new water misters installed around the playground. We are going to have bounce houses and going forward we will have splash days every Friday. If you have not already sent in sun block and bug spray, please send it in next week. As always, children must wear sneakers for outdoor playground activities. Don't forget to change out your child's extra clothing for summer wear.

We are looking forward to a great month.

Thank you

Ms. Viji
