

WHISPERING FARMS MONTESSORI NEWS

*Happy
Mother's Day*

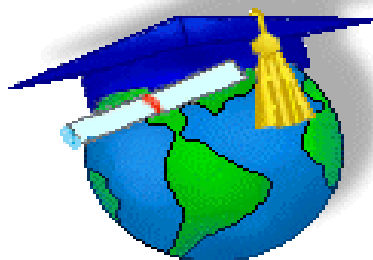

The end of the school year is upon us already, where did this year go? The hustle and bustle of all year end activities has begun. We are done with our parent/teacher conferences for the Primary Classes, and are busy planning our Mother's Day breakfast, Primary Graduation and of course our summer semester.

All Moms are invited to our Mother's Day breakfast on May 11th 7:30 am — 8:30 am, we hope you can all attend, please remember to RSVP when you receive the email from our front office with the invitation and details.

We hope to see all our Primary 1 and Primary 2 families at our Primary Graduation on May 22nd at Cockrell Elementary from 7:00pm -8:00pm. We enjoy spending time welcoming new families and sadly, often saying good byes to the families leaving WFMA.

Please be sure to mark these dates on your calendars!

Kiran

Notes from the Teachers

PRIMARY 1

PRIMARY 2

The children really enjoyed our celebration for Earth Day. During May, we will review everything we've learned.

The children are very excited to see the plants grow and are enjoying the gardening lessons.

This month we will be learning about the water cycle.

We will be having our Graduation party and celebrating our graduates on May 22nd.

This is a special month for our dear Moms who are caring and loving. Thank you for your support and kindness.

HAPPY MOTHERS DAY!!

Lastly we want to thank all of the parents for the opportunity to share in your child's growth and education this past year.

Ms.Viji

Ms. Tabitha

Ms. Sudha

The month of May is here and the school year is coming to an end. Throughout the year there were new children joining the class. They expressed excitement in learning new lessons and were eager to participate in new activities. The class focus on listening skills that encourage them to look at the speaker, open their ears and to keep quiet until the message is conveyed. They are practicing manners, using words that help them convey in a respectful way. The Practical Life experience is the core in the education of the child, it is where the child begins to develop skills for future learning. The class is working towards Independence, Coordination, Concentration and Order.

The class is working on Finger Tip Grasping works to develop small muscle control. In addition, some children are working very hard writing the numbers 1 thru 100, and lower case letters a thru z, and mastering the initial short vowel sounds. The entire class has expressed a strong interest in all cultural and science activities.

I am so proud of the progress all children have made this year. It takes a strong relationship between home and school to maintain high academic success. Thank you parents for helping me to make this a great year at W.F.M.A.

Congratulations to W.F.M.A. Graduating class of 2018. The children will perform a song. Parents are invited to attend this celebration and share in the pride of their child great accomplishment. Graduation will be held at Cockrell Elementary on 5/22 from 7:00-8:00.

It's hard to say good-bye to such a bright young group of children and their parents. Good luck from the bottom of my heart.

Happy Mother's Day!

Ms. Cynthia & Ms. Rupali

BEGINNERS

I can't believe the school year is almost over and the students keep growing and growing. We have watched them over the year learn, play and make friends.

We will continue with our letter sounds, numbers, shapes and colors. We will also continue with our Gardening and do fun projects with our Monthly theme which is "Flowers and Insects". We have absolutely enjoyed being your child's teacher this past year and love this age group.

Have a wonderful month and a Happy Mothers Day!!!

Ms. Antonia, Ms. Yasmin Ms. Asmaa

TRANSITION

This month we will be working with the colors yellow (Amarillo) and Red (Rojo). Our letter of the month is M for "Mommy" and D for "Daddy". Our shape is a Heart and our Number is "5". We will also be learning some new songs, such as: "Five Little Ducks" and the "Hokey Pokey".

We will also be creating beautiful art work for our Mother's!

We Hope everyone has a wonderful month and a BIG Happy Mother's Day to all of our Awesome Mom's.

Hope to see you all at our Mother's Day Breakfast on Friday 5/11 from 7:30-8:30!

,Ms Alisha Ms. April Ms. Ana Ms. Lucy

Whispering Farms Montessori Academy is Prosper's first Montessori school. It was founded in January 2003. Lead Teachers in the Primary program are Montessori Certified. All teachers are CPR and First Aid Certified. We have a dedicated staff.

Our Goal is to provide a creative environment where each child will excel and learn at their own pace.

We would really appreciate it if parents could place a review about our school on any search engines like Google, Yahoo, etc..
